Dear Malcolm:

Please find enclosed:

- (a) A privilege log regarding the documents withheld from production on the grounds of the attorney-client privilege or the work product doctrine. This privilege log is in addition to the privilege logs previously submitted to the Committee;
- (b) Documents initially withheld on the grounds of privilege, but which we have determined should be produced. Certain documents have been redacted for privilege and the redacted portions are described on the log. Those documents are Bates stamped BCE-AD 0028695-0028730 (hard copies) and BCE-AD 0029388-0032177 (CD);
- (c) Documents provided to us this week by Stewart Verge, Bates stamped BCE-AD 0028731-0028808; and
- (d) Certain documents produced to the Committee in the Spring of 2004, now Bates-stamped BCE-AD 0028809-0029367. Non-responsive portions of these documents were previously redacted. We have reviewed these documents and

are hereby producing most of them in a non-redacted form. Some more limited redactions remain on a few of those documents.

Furthermore, in an effort to assist you in the discovery process in good faith, we are also including the three document retention and collection memoranda and attachments, which BCE distributed in 2002. Those documents are Bates stamped BCE-AD 0029368-0029387. We are also enclosing a chart of individuals affiliated with BCE Inc. who received, and responded to, those memoranda in 2002. You have agreed that the production of these documents in no way waives any protection under the attorney client privilege or the work product doctrine.

The documents are submitted subject to the Responses and Objections of BCE Inc. to Debtors' First Request for Production of Documents Directed to Defendant BCE Inc., served on October 29, 2004.

Please do not hesitate to call should you have any questions.

Very truly yours,

Piret Loone

Re: *Tele globe Communications Corporation, et al. v. BCE Inc., et al.*

Gentlemen:

Please find enclosed the first part of BCE's privilege log. Also enclosed is a CD containing a few additional documents previously withheld on the grounds of privilege, but which we have now determined should be produced, bates-stamped BCE-AD 0532740 - BCE-AD 0533457. Please note that some of these documents have been redacted for privilege and that a few previously produced redacted documents have been produced again with revised redactions. Enclosed are also a few paper documents from the files of George Walker, bates-stamped BCE-AD 0527798 - BCE-AD 0528038.

Please do not hesitate to call should you have any questions.

Very truly yours,

Piret Loone /RT
